-  Candidate spends an entire day skiing with the patrol. The Patrol will then inform the candidate if his/her ski skills in skiing are adequate to continue on with the process, or if they need more practice.
-  Candidate must complete the OEC (Outdoor Emergency Care) first aid course, which includes professional CPR, written first aid test, and a practical first aid test. Course lasts approximately 80 hours (in September-November).
-  Candidate must pay membership dues.
-  Candidate must be at least 17 years old.
 - Advanced ski / snow boarding skills
 - Positive attitude
 - Outgoing personality
 - Willingness to learn
-  Candidate must complete about 8-10 skiing and toboggan handling training sessions that are administered by the Brighton Ski Patrol. The number of these sessions could vary depending on the length of the ski season or skill level of the candidates (starts January / February).
-  Candidate must pass the skiing and toboggan handling test, which is an all day skill test (in March or April).
-  Once the candidate has satisfied the Brighton Ski Patrols' requirements; the Brighton Ski Patrol members will hear the report of the candidate and will vote to make him/her a member.
