

## On Line Scheduler for Snow Creek Ski Patrol R1

Hi team, the following is how to get online to complete your personal data and to schedule your shifts.

Our website is **SnowCreekSkiPatrol.org** (the capitals are not necessary but I added them so you could easily see that it simply says Snow Creek Ski Patrol). Entering this into Google does not work so if you are using Google, enter [nspOnline.org/SnowCreek/](http://nspOnline.org/SnowCreek/) The result will be a screen that looks like this:

The screenshot shows a web browser window for 'SnowCreek NSP' at 'gledhills.com/SnowCreek/'. The page features the 'snowcreek' logo, the text 'SnowCreek Ski Patrol', and the 'NATIONAL SKI PATROL' logo. Below these are navigation links: 'Online Schedule', 'My Assignments', 'Sub List', 'My Info', 'Patrollers', and 'Directors'. The main content is a 'Shift Schedule for September 2013' grid. The grid has columns for Sunday through Saturday. Every day in the month is listed as 'CLOSED' in red text. At the top of the grid, there is a link 'Login for complete details.' A green arrow originates from the text 'Now click on "Login for complete details"' in the instructions below and points directly to this link. The bottom of the page includes a footer with site statistics ('As of Sun Sep 29 12:03:57 MDT 2013 Print page Font Size: 10 Help'), a toolbar with various icons, and a system tray showing the date and time ('12:03 PM 9/29/2013').

Now click on "Login for complete details" Your next screen would look like this:

*(Balance of page left blank for formatting purposes.)*

SnowCreek NSP x gledhills.com/SnowCreek/

---

**SnowCreek Ski Patrol Login**

If you have not yet logged in, your **last name** is your password

Member ID Number:  
Password:  
Login  
Log In Help

Windows taskbar icons: Internet Explorer, File Explorer, Media Player, Firefox, Chrome, Task View, Taskbar settings, Taskbar search, Taskbar preview, Taskbar pinned items, Taskbar status bar (12:06 PM, 9/29/2013).

Insert your Member ID Number and Password. Your member ID number is found on your NSP card or, if you lost your card, your member ID is on the Roster kept by Ed Reitz. Note: Your **number** is this one.

Currently, your password is your last name. It does not matter if you capitalize it or not.

If you goof on entry, you get many more chances. If on about the 3rd attempt you still fail, the problem may be my error. I could have entered your number or name incorrectly. Thus, send me an email explaining you are having difficulty AND provide me with your correct number AND spelling for your last name. Send that to [Kimber\\_CK@yahoo.com](mailto:Kimber_CK@yahoo.com) or [KenRexShannon@yahoo.com](mailto:KenRexShannon@yahoo.com).

Assuming you are able to sign in, the web site will return you to the schedule.

SnowCreek - Shift Schedule for September 2013

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
1 CLOSED	2 CLOSED	3 CLOSED	4 CLOSED	5 CLOSED	6 CLOSED	7 CLOSED
8 CLOSED	9 CLOSED	10 CLOSED	11 CLOSED	12 CLOSED	13 CLOSED	14 CLOSED
15 CLOSED	16 CLOSED	17 CLOSED	18 CLOSED	19 CLOSED	20 CLOSED	21 CLOSED
22 CLOSED	23 CLOSED	24 CLOSED	25 CLOSED	26 CLOSED	27 CLOSED	28 CLOSED
29 CLOSED	30 CLOSED					

As of Sun Sep 29 12:23:32 MDT 2013 [Print page](#) Font Size:  [Help](#)

Now, click on "My Info" to fill out the table.

NOTE: We are using your last name to indicate if you are a toboggan handler (passed the hill test). If your name is all capitals "KIMBER" then you are a toboggan handler. If not in capital letters (Kimber) then you are not a toboggan handler. This is important later when we schedule as we MUST have at least two toboggan handlers on each shift. If your name is misspelled, please fix it. Contact me if I incorrectly indicated your toboggan handler status.

VERY important is your correct email address. You will receive notices of the schedule and reminders to that email so enter it.

If you are Justin and you successfully signed in, your page would look like this:

SnowCreek NSP

gledhills.com/snowcreek/index.php?resort=SnowCreek&NSPgoto=MonthCalendar&ID=239176

**Personal Information for: Justin WHITEHEAD**

host resort: SnowCreek [Print This Page](#)

ID Number: 239176  
Classification: Basic  
Last Name:   
First Name:   
Spouse:   
Address:   
City:   
State:   
Zip Code:   
Home Phone:   
Work Phone:   
Cell Phone:   
Pager:   
E-mail:   
Emergency Call Up:  No

(The following is repeated for those that don't read everything)

Look at your "Last Name". If your last name is all capitals, "WHITEHEAD", that means you are a toboggan handler. THIS IS IMPORTANT so don't modify it (other than to correct spelling). Every shift MUST have at least two (2) people who are toboggan handlers. If you are approved to handle a toboggan and I didn't enter you info in capital letters, let me know. I probably just goofed on entry.

If you live close to the hill and you can be drop whatever you are doing on the weekend for an emergency, definitely put "yes" for the "Emergency Call Up". When you scroll down, the balance of the page will look like this:

12:43 PM  
9/29/2013

Here is where you can change your password if you decide to do so. Please record the password you select as there are no prompts should you forget what you selected.

Note: If you wish to have your name on a "Substitute List", click "yes". People on that list will be notified if someone removes their name from the schedule. If you are on that list, you will receive an email stating the slot is available.

When finished, click "Update Profile".

*(Balance of page left blank for formatting purposes.)*

The next screen looks like this: Now you can click on "Online Schedule". If you click on "Done", it will take you back to the "My Info" page. This puts you in a never ending "do loop".

A screenshot of a web browser window titled "SnowCreek NSP". The URL is "gledhills.com/snowcreek/index.php?resort=SnowCreek&NSPgo=monthCalendar&ID=239176". The page header includes the "snowcreek" logo, "SnowCreek Ski Patrol" text, and the "NATIONAL SKI PATROL" logo. Below the header is a navigation menu with links: "Online Schedule", "My Assignments", "Sub List", "My Info", "Patrollers", and "Directors". A green arrow points from the "Online Schedule" link to the "Online Schedule" link in the menu. The main content area displays an "Updated record for Justin WHITEHEAD" with various personal and contact information fields. At the bottom right of the content area, there is a vertical scrollbar. The status bar at the bottom of the browser shows the time as 6:13 PM and the date as 10/5/2013.

Clicking on "Online Schedule" takes you to this screen:

A screenshot of a web browser window titled "SnowCreek NSP". The URL is "gledhills.com/snowcreek/index.php?resort=SnowCreek&NSPgo=UpdateInfo&ID=239176". The page header includes the "snowcreek" logo, "SnowCreek Ski Patrol" text, and the "NATIONAL SKI PATROL" logo. Below the header is a navigation menu with links: "Online Schedule", "My Assignments", "Sub List", "My Info", "Patrollers", and "Directors". The main content area displays a "SnowCreek - Shift Schedule for September 2013" grid. The grid has columns for Sunday through Saturday. Each day column contains a date and the word "CLOSED" repeated multiple times. A green arrow points from the "Online Schedule" link in the previous screenshot to the "Online Schedule" link in the menu here. Another green arrow points from the "Online Schedule" link in the menu here to the "Online Schedule" link in the grid. The status bar at the bottom of the browser shows the time as 12:54 PM and the date as 9/29/2013.

Arrow over to the month you wish to view. This page displays "September 2013".

**NOTE: DO NOT FILL OUT THE SCHEDULE YET unless you are an instructor!**

Instructors get the first shot at selecting four (4) schedule spots. The instructors are allowed one week to make their choices. After that week, the balance of the patrol, (with the exception of candidates) then gets to select four (4) schedule spots. After two weeks of allowing the balance of the patrol to select their four spots, the instructors will be allowed to select the balance of their spots (six). They are allowed one week to do this. The schedule will be again released to the patrol to select the balance of their choices. Two weeks after this third offering is when the candidates may choose their schedules.

Note: All shifts must be selected by January 15, 2014. There are only two exceptions to this standard; if you have a job that requires sudden, unanticipated travel and if you are an out-of-town student, we will allow you to make late scheduling choices.

Note: Scheduling is a first come, first serve basis. As mentioned earlier, if you are not a certified toboggan handler, you need to be careful in selecting your slots. We MUST have at least two (2) toboggan handlers per shift.

After there is coverage on each shift, we will open more slots. Typically there are about 6 patrollers per shift.

So, to enter your name in a slot, first scroll to the month. Again, you do that with the aforementioned arrow. Then, click on the day you wish to patrol (making sure you are on the correct month). Lets assume you choose January. Your screen will look like this:

*(Balance of page left blank for formatting purposes.)*

This screen now appears. Justin can then click "Submit", replace with someone else or "Highlight as Needs a Replacement". I recommend the Submit unless you are giving up your slot for someone else.

Saturday  
January 4, 2014

STEVENSON, Zachary  
STITES, Tim  
SUPINSKI, William  
Velghe, Janie  
VIK, Sacia  
Von Felten, Jessica  
WAINWRIGHT, Chad  
Wainwright, Sheree  
WEINBAUM, Dan  
WHITEHEAD, Justin

Replace (Justin WHITEHEAD) with someone else  
 Remove name (Justin WHITEHEAD)  
 Highlight as -Needs a Replacement-

Submit Cancel

That is pretty much it....

But if you are unfortunate, you will get a screen like this:

The screenshot shows a Microsoft Windows desktop environment. At the top is the taskbar with various icons for programs like File Explorer, Internet Explorer, and Microsoft Word. The system tray shows the date and time as 9/29/2013 at 12:32 PM. In the center is a Microsoft Internet Explorer window titled "SnowCreek NSP". The address bar shows the URL "gledhills.com/snowcreek/index.php?resort=SnowCreek&NSPgoto=UpdateInfo&ID=012345". The main content of the page is a dark blue header with white text reading "HTTP Status 500 -". Below this is a detailed error message in a table:

<b>type</b>	Exception report
<b>message</b>	
<b>description</b>	The server encountered an internal error () that prevented it from fulfilling this request.
<b>exception</b>	<pre>java.lang.NullPointerException     UpdateInfo.printBodyForm (UpdateInfo.java:531)     UpdateInfo doGet (UpdateInfo.java:110)     javax.servlet.http.HttpServlet.service (HttpServlet.java:743)     javax.servlet.http.HttpServlet.service (HttpServlet.java:856)     filters.ExampleFilter.doFilter (ExampleFilter.java:102)</pre>
<b>note</b>	The full stack trace of the root cause is available in the Apache Tomcat/5.0 logs.

Below the error message is a dark blue footer bar with the text "Apache Tomcat/5.0".

Or this

The screenshot shows a Microsoft Windows desktop environment. The taskbar and system tray are identical to the previous screenshot. The Microsoft Internet Explorer window shows a "Service unavailable!" error page. The address bar shows the URL "gledhills.com/SnowCreek/". The main content of the page features the SnowCreek logo and navigation links, but is dominated by a large bold heading "Service unavailable!". Below this, smaller text reads: "The server is temporarily unable to service your request due to maintenance downtime or capacity problems. Please try again later." and "If you think this is a server error, please contact the [webmaster](#)". At the bottom of the page is a footer with the text "Error 503" and a log entry:

*gledhills.com  
Sun Sep 29 14:28:30 2013  
Apache/2.2.3 (Linux SUSE)*

The taskbar and system tray at the bottom show the date and time as 9/29/2013 at 2:27 PM.

If you ever see this, send an email to [steve@gledhills.com](mailto:steve@gledhills.com), and let him know that the site needs attention.
